

GETTI ROTANTI ALSMOD3G
ROTATING JETS ALSMOD3G
BOQUILLA ROTATIVA ALSMOD3G

Caratteristiche

Le teste di lavaggio ALSMOD3G ruotano su dei cuscinetti in teflon che garantiscono una rotazione eccellente e un basso livello di rumorosità.

Characteristics

The washing heads ALSMOD3G rotate on drag bearings in teflon which guarantee an excellent rotation and a low noise.

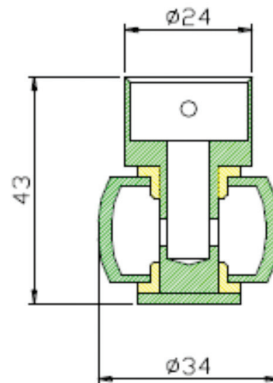

Características

Los cabezales de lavado ALSMOD3G giran sobre cojinetes de fricción hechos de teflón que garantizan una excelente rotación y la baja emisión de ruido.

 AISI 316/304

 COATED TEFLON

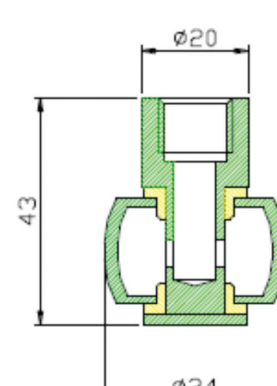

Clip

Female 1/2"

Female 3/8"

Female 1/4"
